Many businesses have had to cut back on charitable giving this year due to the economy. But by working together, Peterbilt PacLease of Las Vegas and a dozen partner companies are able to make a HUGE donation.

Each company is pitching in to help pay for a 6-year lease worth more than \$100,000 on a brand new Peterbilt Model 340 Tractor. Goodwill will use the truck for those six years. After the lease expires, the truck will be sold and Goodwill will receive the profit from the sale. The keys will be presented to Goodwill at a Thank You BBQ.
