Goodwill of Southern Nevada is proud to announce Bill Paredes, of Bank of Nevada, has joined our Board of Directors. Paredes serves as Executive Vice President, Regional President in charge of the Rainbow Corporate Office of Bank of Nevada. He has held this position since 2006.

“This organization’s role in fighting unemployment is impressive and the word needs to get out that they have increased their own hiring and have the employment center to help those that need to find work,” said Paredes.

Paredes grew up in Dallas, Texas and worked in the banking industry since 1985. He earned his MBA in 1994, and moved to Las Vegas after being recruited by Bank of America.

Paredes spent six years in the Corporate Banking Division at Bank of America, focusing on real estate, middle-market commercial and gaming loans. He later joined a start-up community bank, Nevada First Bank, as Executive Vice President, Chief Lending Officer. Nevada First Bank was acquired by Bank West of Nevada in 2006, and the name changed to Bank of Nevada.

Goodwill of Southern Nevada’s mission is to educate, train and employ people with disabilities and other special needs to help them maximize the quality of their life. In 2009, Goodwill of Southern Nevada helped 889 people get jobs through the Career Connections program and provided services to nearly 6,000 people.
