DONATIONS DRIVE PROGRAM! <

Free up space.

Cleaning out your closets, kitchens, bookshelves and garage will allow you to clean up and organize around the house.

If you rent a storage unit, take some time to clean it out and maybe save yourself a little money.

Tax benefits.

Goodwill is recognized as a 501(c)3 nonprofit organization. Your donations are tax deductible to the extent allowable by law. Please consult your tax advisor for your individual benefits.

We will provide you with a donation receipt each time you donate.

Support your local community.

Since 1975, Goodwill of Southern Nevada has been turning donations into jobs for thousands of local people with disabilities or other barriers to employment by providing job training and placement services free of charge to job seekers.

Through our **Career Connections** program, in 2010, over 1,100 people were placed into new jobs in Southern Nevada.

Goodwill of Southern Nevada generates the majority of funds to support its mission and programs through the sale of donated goods!

Think Green.

Goodwill Industries is one of the original recyclers.

We re-use, re-purpose and recycle as much as possible.

For example: over 99% of clothing items donated to Goodwill of Southern Nevada are sold in our stores or recycled.

Goodwill constantly works on waste reduction, a benefit we all enjoy!

Goodwill is also a great partner to dispose your obsolete computer eWaste without harming the environment.

In 2010 we collected over 1,000,000 pounds of potentially harmful eWaste and ensured that it was recycled properly—without ending up in landfills.
