Experience one of Las Vegas' favorite holiday traditions and give the ultimate gift - help someone get a job. Items collected through The Gift of Lights represent a large portion of Goodwill's annual donations.

Why are donations important? “Gently used” items are sold at Goodwill retail stores and fund FREE job placement, education and training services to anyone in our community who needs help. Goodwill of Southern Nevada is on track to help more than 1,000 people find employment this year and provide services to thousands more.

### **Two ways to get the \$2 off Gift of Lights Admission coupon**

**Starting NOW, bring a donation of “gently used” items to any one of Goodwill’s 8 retail stores or 23 donation centers around the Valley.**
